DATE: June 16, 2014

SUBJECT: Changes to the BS Degrees in Biology

The College of Arts and Sciences received approval at the January 15, 2014 AP&P meeting for several changes to the Bachelor of Science degrees in Biology, under the Department of Biology.

The BS in Biology, Secondary Education (209A/13.1322 [T]) was deleted. The discontinuation of this degree was approved by UNC General Administration in April 2013.

The name of the BS in Biology, Cell/Molecular Biology (124A/26.0101) degree was changed to a BS in Biology (142*/26.0101). This change was approved by UNC General Administration in April 2014. The BS in Biology (142*/26.0101) was approved to have three concentrations – Cell/Molecular Biology (142B); Ecology, Evolution and Environmental Biology (142C); and Secondary Education (142D) [T].
